## **Forward**

Insert Forward Statement here. Include the graph as part of the forward statement.

## **Current Program Status**

In this section summarize the current exercise program including past exercise accomplishments and the status of current improvement plans.

## **Program Goals and Objectives**

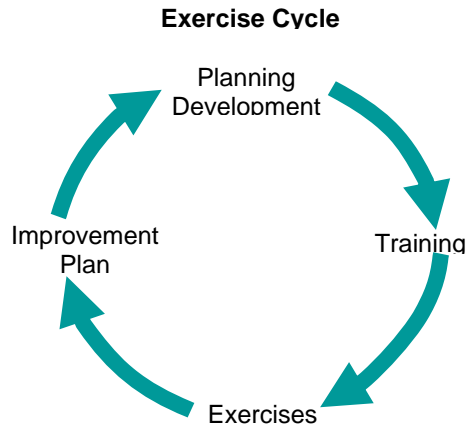

Include the jurisdiction's overall exercise program goals.

The exercise program objectives are based on the program goals.

## **Program Exercise Methodology**

An Exercise methodology reflects a cycle of activity to meet each agency's or jurisdiction's specific needs. The following elements should be considered when developing the exercise methodology:

1. A cycle of exercise activity that includes exercises of increasing levels of complexity;
2. Threat-based, realistic, and accurate exercise scenarios;
3. Exercises that involve players from multiple disciplines to test interagency relationships and agreements;
4. A means of evaluation and improvement planning for each exercise;
5. A method to share best practices and lessons learned with the Homeland Security Community;
6. An assessment of the preparedness level to determine a proper starting point in the exercise cycle.

## **Exercise Evaluation and Reporting**

State how exercises will be reported and what information will be included in the exercise reports.

## **Exercise Schedule**

In this section, identify the exercises you will conduct over the next three years. Include all exercises but include costs only for those expenses reimbursed under the 2007 Homeland Security Grant.

## **Exercise Plan Review**

State how often the Three-Year Exercise Plan is reviewed, the primary purpose of the review and how plan changes are made and reported.

## **SUMMARY**

The “SUMMARY” section should provide a concise review of this document. It should mention or highlight:

- The role of the jurisdiction to protect its citizens from the effects of a disaster.
- The goals of the Three-Year plan.
- The multiyear plan’s adherence to the national HSEEP standards. )
